

2011 Texas State  
**Working Connections**  
July 11- July 15, 2011

Join Ann Beheler and the Convergence Technology Center for the 10th Annual Texas State Working Connections at Collin College, Preston Ridge Campus, Frisco, Texas.

*"Working Connections gave me the insight (as a new Instructor) on improving the way I teach ... I was able to learn not just new and updated information but also how to get the attention of the students and motivate them to achieve new heights within their studies." ~2010 WC Participant*

### 2011 Working Connections Development Tracks

- Citrix Virtualization
- Creating Online Technical Classes
  - Karla Damron, El Centro College
- EMC Storage & Management
